DRINKS

Our bar menu has been developed taking into consideration our local suppliers.

Although we have an abundance of local cider and beer suppliers, our wine was a little more difficult to source. We have, however, been able to take advantage of a wine merchant based on the Quantocks who has expert knowledge regarding the wines available throughout the world.

Chris from The Quantock Abbey wine merchants shares his enthusiasm with students through wine tastings throughout the year and provides our guests with wine which is not available in the supermarkets.

Our beer travels only 10 miles from Exmoor Ales in Wiveliscombe. We also serve cider from Harry's Cider Company. Harry's produce a delicious range of traditional, sparkling, fruit and mulled ciders, all made with 100% cider fruit and bursting with flavour using heritage cider apples.

Our soft drinks are produced by Heron Valley who have been making award-winning juices and cider for generations on their family farm in deepest Devon using the best whole fruit and raw ingredients in their drinks.

Our suppliers do more than just appear on our menus. They often host workshops here at the College and welcome us to their production sites, enabling our students to see the journey from crop to bottle.

Our students, who are mainly under 18, have not had experience serving or drinking many of the items which appear on our menus. Our students learn the foundation of knowledge related to all types of drinks as well as accompaniments throughout the year.

We hope you enjoy the available selection and if you are aware of local suppliers you think would complement our menus, please let one of our team know.
